

# NYP Learning Center – System Requirements

## Minimum Requirements:

Please make sure your platform conforms to these specifications. NYP systems are compliant.

Type of Software	General
Operating System	<ul style="list-style-type: none"> <li>• Windows 7 (32-bit or 64-bit)</li> <li>• Windows 8.1</li> </ul> <p><b>Note:</b> Only the Desktop mode is supported. The Metro mode is not supported.</p> <ul style="list-style-type: none"> <li>• Windows 10</li> </ul> <p><b>Note:</b> Only the Desktop mode is supported. The Metro mode is not supported.</p> <ul style="list-style-type: none"> <li>• Apple Mac OS Sierra (Version 10.12)</li> <li>• Apple Mac OS High Sierra (Version 10.13)</li> <li>• Apple Mac OS Mojave (Version 10.14)</li> </ul>
Web Browser	<p>In a Windows environment:</p> <ul style="list-style-type: none"> <li>• Microsoft Internet Explorer 10 and 11</li> <li>• Microsoft Edge 44 or higher</li> <li>• Firefox 56 or higher</li> <li>• Chrome 72 or higher</li> </ul> <p>In a Mac environment:</p> <ul style="list-style-type: none"> <li>• Safari 11 and 12</li> <li>• Firefox 56 or higher</li> <li>• Chrome 72 or higher</li> </ul>
Java	JRE 1.8.0_201 (bundled with Saba Meeting App)
Microsoft Office	Microsoft Office 2016
508 Support	JAWS 18 or later

## iDevices

You must download the Saba Meeting application from the App Store to join on your iPad or iPhone. You will be prompted for the following information the first time you open it:

Server name: spcna3.sabameeting.com

Domain name: /customers/na3p1prd006

# Virtual Classroom Installation

## Software Installation

Using Internet Explorer provides the easiest installation. Google CHROME users will have to download and enable an extension (within CHROME):

### Saba Meeting Connector

This browser requires the use of the Saba Meeting Connector to launch the Saba Meeting App. Please follow these instructions to install.

[Need Help?](#)

 **Install Saba Meeting Chrome Connector** Click on this button to go to the Google Store to install the "Saba Meeting Chrome Connector". A new window or tab will open.

2 Once the connector is installed,  **Proceed** to the next step.

 If the Google Store indicates that the Saba Meeting Chrome Connector is already added to Chrome, as shown in the following picture, then click the ["Enable this item"](#) link on the Google Store page.

[Cancel](#)

### Saba Meeting Chrome Connector

Offered by: Saba Software, Inc.

2  **Add to Chrome**

## Player Guide

### Player Controls

Once in the application, you can perform the following actions:

The screenshot shows a control bar with several icons. Callout 1 points to a 'Muted' button with a microphone icon. Callout 2 points to a hand-raising icon. Callout 3 points to a green checkmark icon. Callout 4 points to a red X icon. Callout 5 points to a smiley face icon. Callout 6 points to an applause icon. Callout 7 points to a whiteboard icon. Callout 8 points to an exit class icon.

Item	Action
1	Mute/Unmute your audio
2	Raise your hand to ask a question
3	Agree
4	Disagree
5	Smiley Face
6	Applause
7	Access markup tools when in whiteboard mode
8	Exit the class

### Audio Controls

Along the bottom of the class application window, there options for your audio controls:

The screenshot shows the audio control panel at the bottom of the application window. Callout 1 points to the 'Audio Help' button. Callout 2 points to the playback volume slider. Callout 3 points to the microphone volume slider.

Item	Action
1	Open the audio control panel
2	Adjust the play-back volume
3	Adjust the microphone volume

NOTE: Please make sure to mute yourself if joining via the phone, if available. Attendees using computer audio can be unmuted by the instructor to ask questions or utilize the chat feature.
